 Hamtaro yawned and crawled out of his cage. "Hamster school is starting." He exclaimed to himself. He flew through the drainpipe and landed on brandy's head. "Hamha, Brandy," he said, then took off. He raced to school and arrived on time. "Good work, Hamtaro, made it again!" said Ms. Hams, his teacher. She tossed him a sunflower see for a reward for being first 5 days in a row. "Your progress is rising," she exclaimed. "Khrrmp, khrrmp, thanks." Hamtaro said, chewing the seed. Bijou arrived and sat in a new spot, next to Hamtaro. She blushed and handed in her work. Soon Sandy, Pashmina, Penelope, Panda, and Dexter arrived. "Yo, Ms. Hams," said Sandy. Stan was last. Boss was not there. Ms. Hams took out the papers that were handed in and put them on her desk. "Ok, class, today is Pashmina, Penelope, and Bijou's turn to share something. C'mon girls," she said. "Pashmina first." "Ok," Pashmina pulled a small snow globe out of her pink and red backpack. "I found this in my house.It came with some dolls my owner got. It even works like a real one," she shook it up and snow fell on the dogs inside. "Ooh." The class examined the globe. "Wonderful, now it's Bijou's turn." Ms. Hams said. "Ok!" Bijou was excited. "These are the ribbons Hamtaro gave me!" She pulled out orange, tan, and green ribbons. They sparkled as she held them in the light. "Fascinating," exclaimed Ms. Hams. Hamtaro blushed when Bijou put the green ones on. "Penelope's turn," said Ms. Hams. "Ookwee, Ookwee, Ookwee!" Penelope cheered. She peeked in her small green and black backpack. She saw only wrappers, dirt, crumbs, and string. "Ookyoo." Penelope was horrified. "Ms. Hams, I think she lost her sharing." Pashmina said. Penelope peered through the door and ran out in the hall. She claimed something and hid it behind her back. The class noticed a big grin on her face. "Ookyoo," she said "behold!" Penelope ripped out some very tiny sneakers. She slipped them on and sat down. "Time for gym class," Ms. Hams informed her class. Hamtaro

and Bijou led the line of ham-hams. They all scurried down to gym. "Ok," Mr. Jacobs said. (LOLOLOLOLOL THAT'S MY GYM TEACHER'S NAME! XD) "We're going to learn the Jitterbug. It's a very simple dance once you get used to it. Today boys get to pick girls." Boss arrived at the door. He scrambled on in and sat by Oxnard. "Line up on that line." Mr. Jacobs said pointing at for the boys. "And girls over here. Now boys pick your partner." Hamtaro and Boss raced for Bijou. Boss beat Hamtaro. Only some people would participate. All girl ham-hams except Bijou weren't puck. "Cappy with Penelope, Maxwell with Sandy, and Hamtaro with Pashmina!" Mr. Jacobs said. Mr. Jacobs taught them all the moves and they performed. Pashmina and Hamtaro did a loop, an arch, a brush-off, the pretzel, female wrap, the tuck, and a dishrag. "Great job." Mr. Jacobs commented them all. "Great indeed," he said. They finished and headed back home. "Bijou," Hamtaro said, "I wanted to dance with you." "So did I, Hamtaro.but Boss chose me so I had no choice. Anyway, congratulations for making it. Some boy hamsters didn't get to pick at all. You were so great." Bijou said,

A WORD FROM THE AUTHOR: I, myself had to do the Jitterbug in gym class. It was horrible, so I decided to make the ham-hams experience such a stupid dance. Truly the Jitterbug is simple, but I hate it. 4th grade girls don't deserve to dance with boys. The love between Bijou and Hamtaro couldn't have made them mad if they chose each other, though.
